### **10 Fun Things To Bring To A Cabin**

Here's my simple list of things I always have on hand to take with us when we travel. Mostly these are adult activities, but kids can enjoy it too.

1. Deck of cards (change for gambling)
2. Boardgames
3. Telescope (some parks have special places to meet up and look through their telescopes)
4. Bird watching, make a list of birds in the area to find
5. Binoculars
6. Collect nature items, flowers, pinecones and feathers. (notebook to record findings)
7. Innertube for floating in the water (tubbing)
8. Smores!
9. Kayaks, life jackets
10. Fishing Poles

### **What are the 10 Essentials For Camping with pets?**

When we went camping in our RV we always had a dog or two with us. It's very important to bring along the essentials for your pets. You will need these things the most.

1. Leashes, collars they can't escape out of, many times this saved my dogs life.
2. Shot record (some parks require it)
3. Fencing for when your setting outside, if you have little dogs.
4. Water bowls, water container
5. Food
6. Food dishes
7. Poop bags, please pick up the poop.
8. Kennel for each dog. You will have to crate them at some point on your journey.
9. Towels to clean their feet before they come inside, rug for outside.
10. Treats! Don't forget these.
